

# Hot Air Balloon

## Wires - Alambres

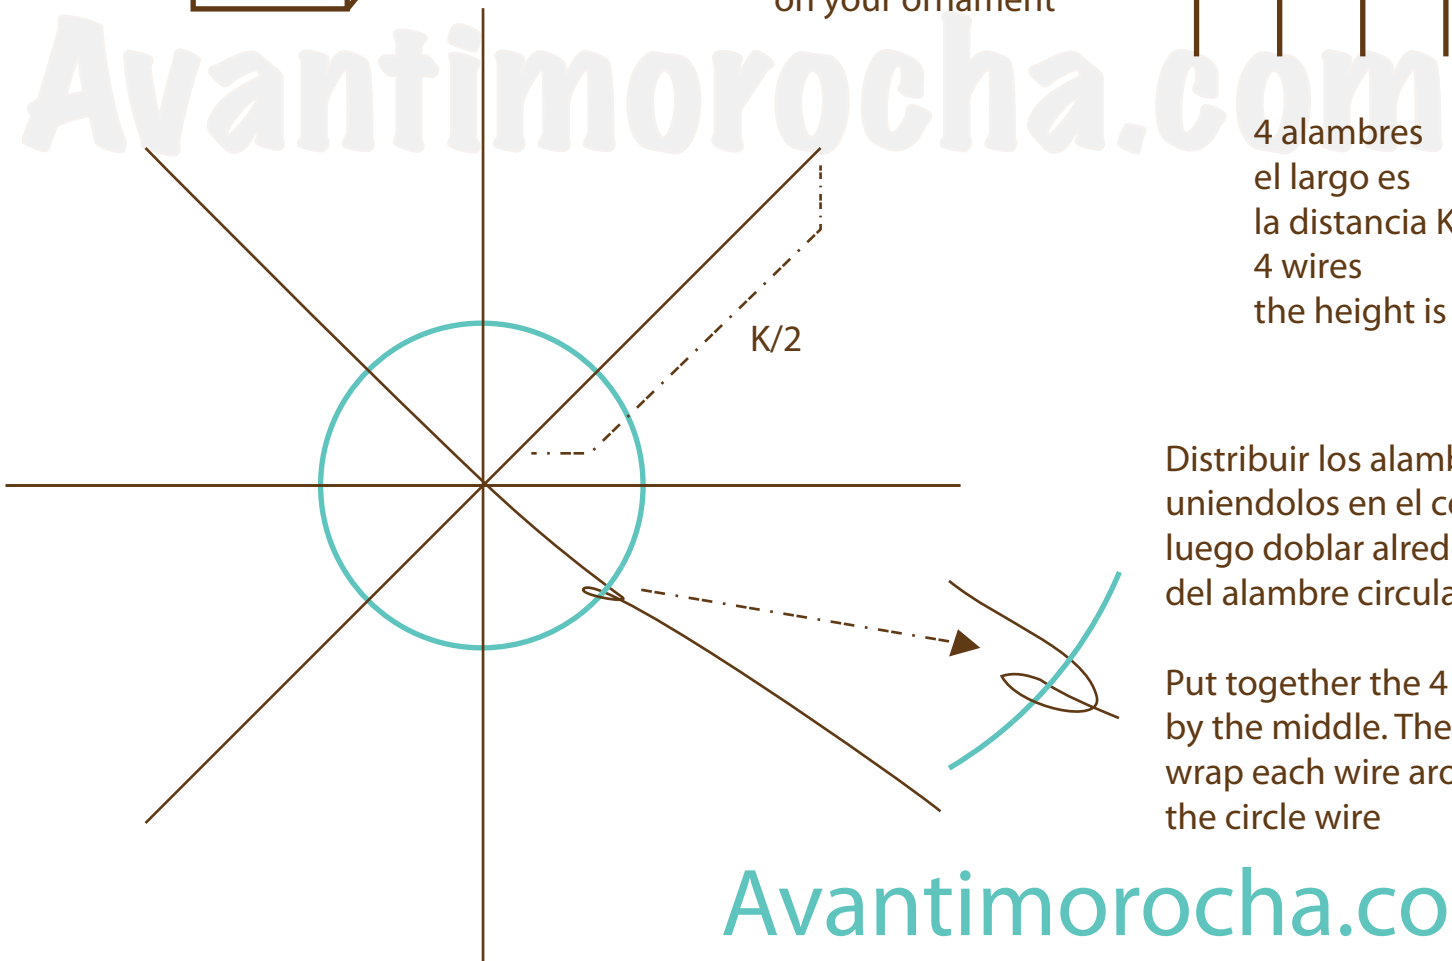

Doblar un alambre en forma circular, el diámetro depende del tamaño del ornamento

Fold the wire in a circle shape  
The diameter size depends on your ornament

4 alambres  
el largo es  
la distancia K  
4 wires  
the height is K

Distribuir los alambre uniendolos en el centro luego doblar alrededor del alambre circular

Put together the 4 wires by the middle. Then wrap each wire around the circle wire
